Dear Dr.Kakar,

Let me begin by apologizing for the delay in writing this letter to you. Thank you for giving me a copy of "A Death Every Minute" a book on T.B. I read the book and found it most informative.

I must congratulate you on writing this book and presenting the facts and data in such a lucid manner. It is most helpful and comprehensive for non-medical lay people specially for those working with various NGOs. I admire you for your zeal and dedication for the eradication and treatment of this disease, which seems to be spreading quite rapidly in our country for reasons, which are so obvious.

The cost of the book is not mentioned anywhere. However, I shall appreciate it if you could send me six copies; 3 of Hindi and 3 of English. I would send the payment through Dr.P.K.Tyagi, on receipt of the books.

Thanking you and wishing you all the best in your work.

Yours sincerely,

R.S.Khemchand
President
